

NOTICE OF PROPOSED WATER RATE INCREASE

At their September 7, 2010 meeting, the Pamlico County Board of County Commissioners will consider a water rate increase for industrial class customers, 3 inch meters and above. A twenty five percent adjustment is recommended which will increase the usage rate from \$3.89 per 1,000 gallons to \$4.86 per 1,000 gallons and will increase the flat rate from \$22.40 to \$29.
